

WhaleShark Media Acquires VoucherCodes.co.uk, UK's Top Coupon Site

Acquisition signals company's first expansion into growing global deals space

AUSTIN, TX, August 16, 2012 --- WhaleShark Media, Inc., which operates the world's largest portfolio of online coupon and deal sites, today announced that through a wholly-owned subsidiary it has extended its reach to Europe with the acquisition of eConversions, Ltd., operator of the websites VoucherCodes.co.uk in the United Kingdom and Gutschein-Codes.de in Germany. With four million subscribers to its site each month, VoucherCodes.co.uk is the leading online coupon website in the UK. Under WhaleShark Media, VoucherCodes.co.uk and Gutschein-Codes.de, we remain independent brands, continuing to operate from their offices in London, England.

The eConversions deal marks WhaleShark Media's sixth acquisition since its inception in November 2009, the most recent being RetailMeNot.com in November 2010. Each acquisition has increased WhaleShark Media's ability to provide all the web's most compelling coupons and deals to its growing community of online shoppers.

"eConversions provides extraordinary value to both its merchant partners and its consumers. We are privileged to have another leader of the industry join WhaleShark," said Cotter Cunningham, CEO of WhaleShark Media. "We look forward to combining the talent of our two teams as we pursue our shared vision of bringing the deepest discounts from the best online stores to consumers."

Brothers Duncan and Max Jennings established eConversions in 2004. Together with Richard Foister, they launched VoucherCodes.co.uk in 2008 with the goal of bringing together the best coupon codes, 2-for-1 restaurant coupons, printable coupons, deals and sales from Europe's best online stores in one place to help save consumers time and money.

"We are excited to join the WhaleShark Media team and become a part of its impressive roster of deals sites," said Duncan Jennings, managing director of eConversions. "The expertise and resources of the WhaleShark team will allow eConversions to provide our consumers with even better deals and position us perfectly for future growth and expansion."

With this deal, WhaleShark Media now operates the best and largest online coupon and deal sites in both the United States and Europe, with RetailMeNot.com and VoucherCodes.co.uk. With the addition of eConversions, WhaleShark Media's websites will attract an estimated 150 million unique visitors in 2011.

Terms of acquisition were not disclosed.
