Hires Quigley-Simpson for Creative, Media Duties

AUSTIN, Texas, July 23, 2013 /PRNewswire/ -- RetailMeNot.com (NASDAQ:SALE), the largest digital coupon website in the United States, today announced the launch of its new brand campaign that will help consumers learn to spend less while they shop for more of the things they need and want at their favorite stores.

The new campaign includes the roll out of multiple advertising initiatives, including a testimonial-style television ad encouraging consumers to "Spend Less. Shop More" by using RetailMeNot via their desktop, tablet or mobile device.

Additionally, last month RetailMeNot launched a new nationwide in-mall advertising initiative aimed at getting consumers to download the free RetailMeNot Coupons App on their iPhone or Android phones (available at www.retailmenot.com/mobile/) in order to save in-store while shopping at their favorite mall.

"The millions of consumers who use RetailMeNot.com and our mobile app are savvy shoppers who are able to buy more of the things they want for a lot less money than other shoppers," said Jill Balis, the senior vice president of marketing, RetailMeNot, Inc. "The goal of our new campaign is to highlight how fast and easy RetailMeNot makes it for consumers to get more for their money while shopping at their favorite stores."

The new television ad will appear on numerous cable networks, including E!, Bravo, HGTV, Lifetime, VH1, among others.
