RetailMeNot Launches #DealBrag, Celebrating the Thrill of the Deal

Campaign Kicks Off With Release of New Video Featuring Brooklyn Decker and Her Brag-Worthy Deals

AUSTIN, Texas, Aug. 21, 2017 /PRNewswire/ -- RetailMeNot, the digital savings destination that saves you\$20 in 20 seconds, is celebrating the right to brag about a great deal with the launch of its new #DealBrag campaign. RetailMeNot is encouraging people to brag about saving because, let's be honest, who doesn't love sharing a great deal? As part of the campaign, RetailMeNot partnered with actress and tech entrepreneur Brooklyn Decker to create a short video bringing humor to the conversation around spending money, shopping and saving.

For the second year in a row, RetailMeNot is unveiling a new digital campaign that taps a celebrity to create a comedic short film that will live on social media. The first video will launch during the back-to-school season, when deal hunting is top of mind for many parents. A second video will be released at the start of the holidays, the biggest shopping season of the year. The campaign calls on shoppers to share their own #DealBrag stories, complete with hashtag, across their social platforms.

"We have found that when consumers share the news about a great deal they find, it encourages their family and friends to get out there and deal hunt themselves," said Marissa Tarleton, chief marketing officer, RetailMeNot. "We are proud to launch our #DealBrag campaign with Brooklyn Decker, a mom and longtime friend of the brand who shares our passion for saving."

Saving is made easy with the free RetailMeNot app or website where users report an average savings o\\$20 in 20 seconds. Whether it's a coupon, discount gift card, promo code or cash back offer, RetailMeNot offers over 500,000 deals for more than 50,000 retailers and restaurants allowing shoppers to save money, time, hassle and more on every purchase.
